Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Rye Brook Sewer Rehabilitation Initiative in fiscal year 2024. The entity to receive funding for this project is the Village of Rye Brook, located at 938 King Street, Rye Brook NY 10573. The funding would be used for the rehabilitation of Rye Brook's sanitary sewer system, including repairs of pipes and manholes and reduction of inflow and infiltration. The project is an appropriate use of taxpayer funds because it will significantly improve water quality, enhance health and safety, and create better conditions for economic growth, ultimately saving taxpayer money. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jamaal Bowman, Ed.D.

Member of Congress
